

Tutor Moving closer

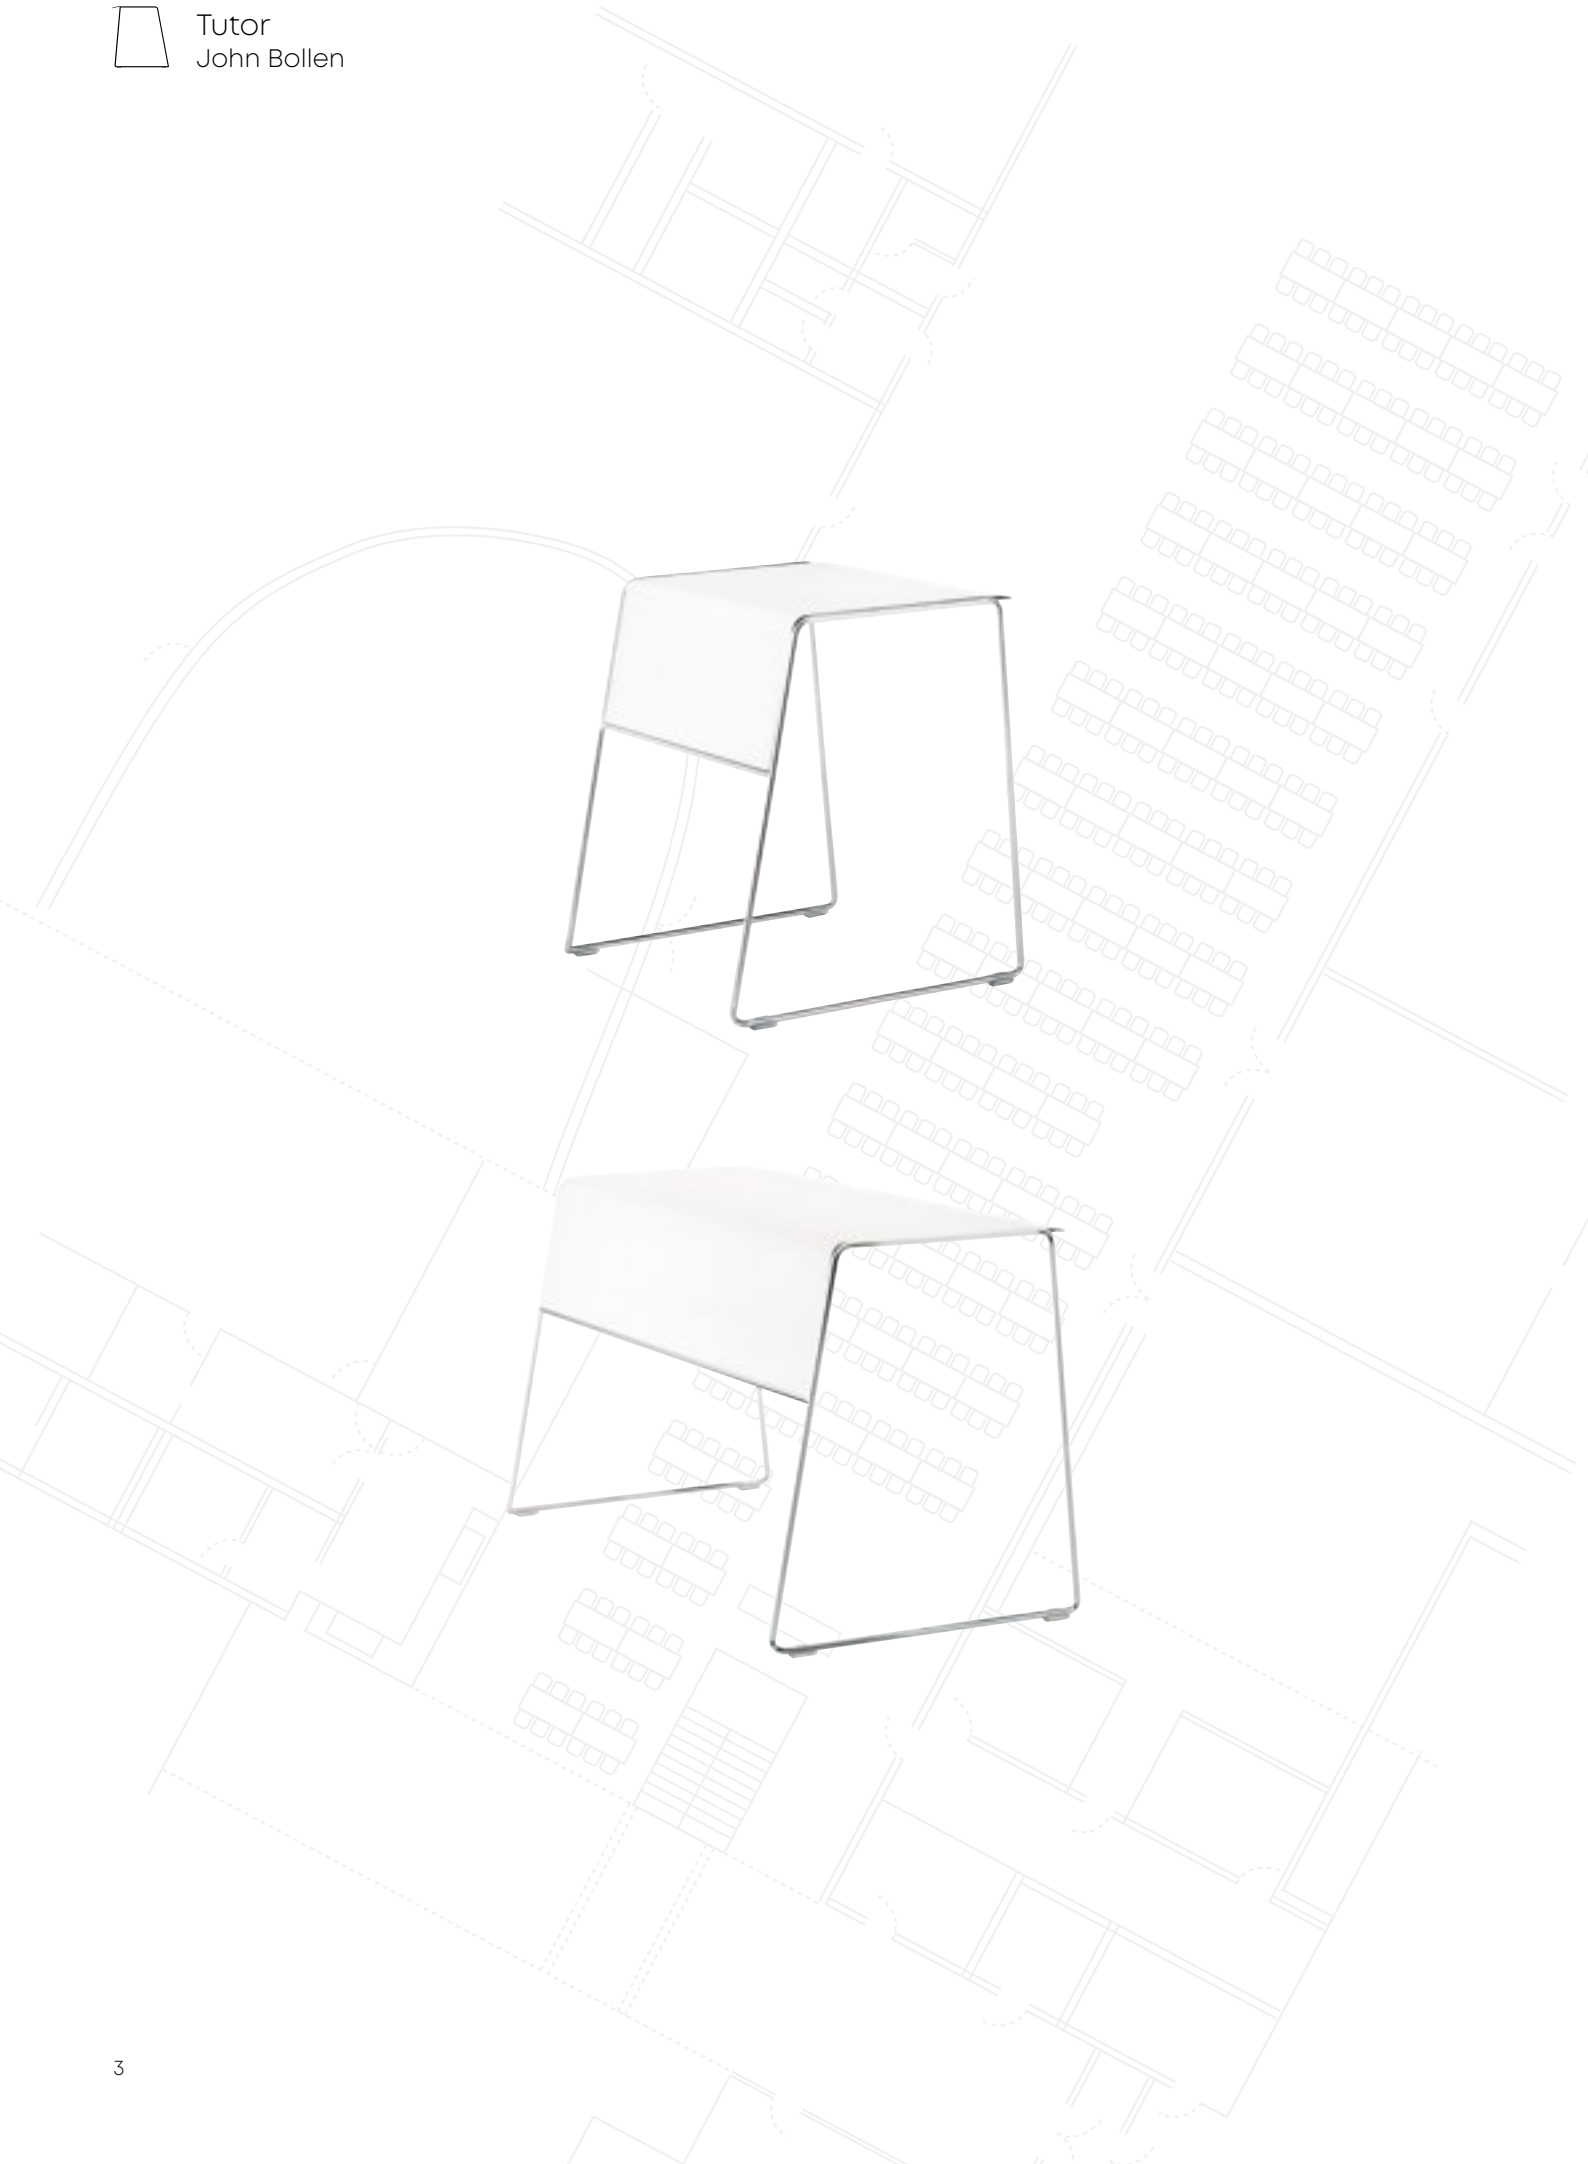

This stackable table pays
tribute to the iconic 40/4 chair,
and in the process, becomes
an icon itself.

Tutor

John Bollen

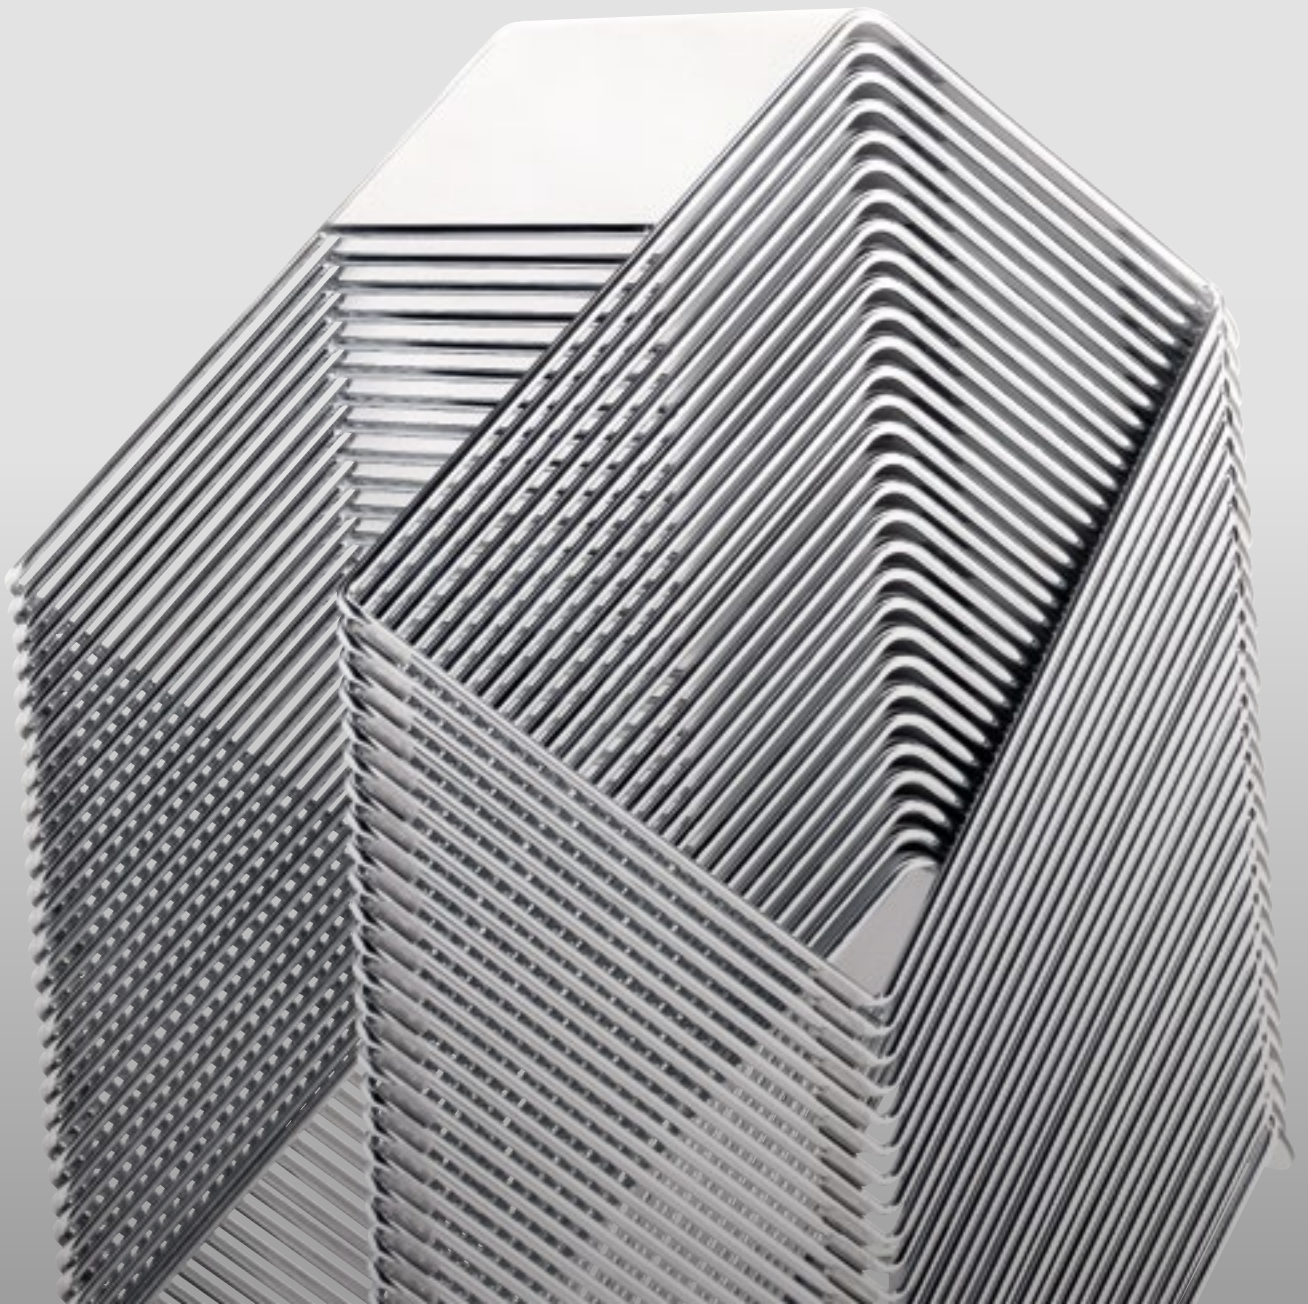

A FITTING TRIBUTE

Tutor echoes the 40/4 chair's understated design language to create an elegant table that pairs perfectly with the chair. Tutor also works well on its own, due to its durable materials and easy stackability.

Tutor

Compact laminate

The perfect design combination

Tutor uses the same angles and proportions as the 40/4 chair. By combining Tutor and 40/4 you get the perfect design combination for your interior.
